

#GoHam4Hamza

**Name:** Hamza Jamaa

**Position Contested:** Vice president for Education (TU Dublin City Campus)

### **Election Manifesto**

My name is Hamza Jamaa. I am currently the Vice President of Education in the City Campus, and this year I am re-running to be your Vice President for Education in TU Dublin SU City Campus once again.

I have decided to put myself forward for the role once more, as I believe I will do the best job for all presiding TU Dublin students as a whole. My Experience is in an abundance of what I have known. What I have come to know and what I will come to know and learn to share to make this coming year a one of amicable remembrance

As to say, this is technically my sixth year in TU Dublin, five years as a student and coming to a year in the Students Union. This has shown me on a personal level that I am a people's person who can adapt to different environments in a short space of time. I can say I have lived more than half of the TU Dublin experience and challenges that it brings to us as a natural cause.

Naturally, I would consider myself an easy-going person who is always level-headed in all situations. From this, I have believed that I am an approachable Individual and a relatively understanding person who can listen and apply all acquired effort to any task at hand.

Why Vote for me??? The answer is simple... I commit to every duty/post/challenge, and I have the necessary experience for the role. I have always put my all and then some into everything I've ever done, and for me, this job is on the same level as anything else I prioritise.

As the current VP of Education in the City Campus and previous College Officer of Cathal Brugha Street, I have the passion, drive, enthusiasm, and overall ground experience that this job requires. My Characteristics and traits reflect well, as I'm hardworking, organised, focused and determined.

As a strong believer in the Reformation of Change, I strongly believe we should use our vote wisely and rightly to make any decision, and with that, I urge you to Vote for me... Hamza for Vice President for Education once again!

### **Previous Experience**

- *Current VP for Education in the City Campus 2020/2021*
- *Knowledge of how TU Dublin structure work*
- *College Officer 2018/2019*
- *Member of DITSU CLG*
- *Member of Student Council 2018-2020*
- *Member of Electoral Commission*
- *Member of DITSU Executive 2018/2019*
- *Member of the School of Science & Health Committee Board*
- *Seat at various Academic Boards Across City Campus*
- *Closely Working with Tallaght VP Education Officer & Blachardstown Deputy President*

## Goals

### **Representation**

The SU has been important for students during each Academic Year. The student's voice is crucial and important to what we officers do in the Students Union. It is important to have a student partnership with the staff where students feel a part of what the university does

- I want to continue representing students and ensuring they are fully supported with the helping hand from the Students Union side.
- I will continue to raise students' issues on Boards across the University and bring up issue students would want to be raised.
- I want to ensure that issues that students face are taken seriously and constantly fought for by the University

### **Class Reps**

I want to continue to work closely with the Class Reps. The Class Representative is the elected representative of the entire Class, the spokesperson who represents students' views to TU Dublin at Programme Committee meetings, the problem-solver who raises issues and finds solutions to any day-to-day issues. Class Reps are crucial as Reps bring issues for discussion in Class Rep Meetings, e.g., how to improve the Library Services to fundraising for RAG week.

- To continue to plan and elect Class Reps at the start of the Academic Year with the help of College Officers that will be elected for Semester 1.
- The planning of Class Rep Training Face to Face or online depending on National and health guidelines for semester 1.
- Continue to attend Class Rep Meetings and give regular updates and answer questions from previous Class Rep meetings.
- Look into the feasibility of electing Class Rep election for Semester 2-2021.

### **Student Engagement**

The interaction with students regularly to assist on any issues they may be facing during their time in TU Dublin. Student Engagement is critical and is key for keeping students up to date with everything happening on the ground. Continuing to plan online events/ on campus in line with National and Health Guidelines.

### **Campaigns**

It is essential for students to know about information that are important to them. The continuing educational campaigns for students across TU Dublin and feedback from students of what educational campaigns they would like to see at the start of the year. Example of Educational campaigns: Repeat Exam campaign, Exam campaign, De-stress week, Don't Drop out, and more.

*You have seen my experience and my drive to work. Please vote for me for your VP for Education Officer in City Campus!*

***Vote Ham for Hamza once again, your next Vice President of Education for another term!! #GoHam4Hamza***

***Polling dates Tuesday 23<sup>rd</sup> and Wednesday 24<sup>th</sup> of March***
