

**Candidate Name:** Sophie Doolan

**Position Contested:** TC Clubs Officer

Hi everyone!

My name is Sophie Doolan and I am running for the part-time Student's Union position of Clubs Officer based in the Tallaght Campus for the year 2021/22. This is my second time running for this role and I would absolutely love the opportunity to work in this role a second time. Not only do I have a year's worth of experience as Clubs Officer already, I already have a much wider range of experience that I feel makes me a good fit for the position.

On top of being a previous chairperson of the Ladies' Basketball Club and the current Chairperson of the Volleyball club, I know and understand exactly the type of pressure our Club committees can be under sometimes! My goal as always is to relieve some of that stress and offer advice and help to Clubs that need it! As well as chairing these committees I am also the Student Sport Ireland Networking Rep and sit on both the Physical Activity for Health and Well-Being Committee and the Student Commission. I have been able to use my position on these committees to bring the voices of students in our Clubs to Student Sport Ireland and would really love the opportunity to continue to do that.

I have also previously represented the Tallaght Campus as a Student Sports Rep at meetings at TU Dublin Sport Meetings. I have been able to use my position as Chairperson of the Tallaght Campus Clubs Guild to bring feedback and concerns from our clubs to these meetings and would love to continue to do this as the Clubs Officer.

### **Aims for this role:**

- Liaise regularly with clubs and with Sports & Recreation Officer
- Offer advice and guidance where possible to club committees, if I don't have the answer, I will be sure to find it for you!
- Meet with clubs more often to hear feedback and take it to the right source to make necessary changes
- To attend and promote more club events
- Continue to encourage higher levels of participation in physical activity around the college
- Assist in the set up of new clubs and club committees

**VOTE SOPHIE DOOLAN NO.1 FOR CLUBS OFFICER**
